Charity Gift Aid

The Trustees of the Hebridean Sheep Society have the duty to maximise the funds available to the charity and one way is to reclaim the tax you have already paid on your annual subscription.

Your annual subscription to HSS is treated as a charity donation and can be boosted by 25p for every £1 if you make a Gift Aid Declaration. You will pay £30 and the Society will receive a total of £37.50.

You can help the Society through Gift Aid if:

- You pay your subscription from a personal account (not a business account)
- You pay UK tax of at least the total amount to be reclaimed in Gift Aid from all your donations
- You complete the Gift Aid Declaration Form

You will need to complete the form only once. Your declaration will continue to be in force until you tell HSS that you no longer pay UK tax or you stop paying your subscription.

If you have any questions, please contact Eric Medway
