

Western Isles Inter-Island Show Report

The first Inter-Island Show of Registered Hebridean sheep for more than 10 years was a feature of day 2 of the Summer Symposium. Big classes and the quality was every bit as good as seen at major mainland shows.

Breed Champion was Munro Desperado, 2051/23, shown by Don Alick MacLeod and bred by Katy Tunstall. Reserve BC and best Island-bred sheep was Gimmer Shearling McIntyre Ewe 58, 1802/24, bred and shown by Ashleigh Forster.

Thanks to Larry Cowper for judging some challenging classes.
